

13 June 1974

1. Executive Session

The Chairman convened the Board in executive session at 1030 hours to discuss a sensitive subject. A summary of the Board's discussion and action is contained in [REDACTED]

25X1

2. Announcements by the Chairman

Following the executive session, Mr. Colby commented on several topics:

a. He distributed, for the information of the Board Principals, a copy of a CIA press release regarding the book entitled The CIA and the Cult of Intelligence. *

b. Mr. Colby also commented on some legislative information of interest to the intelligence community. This legislative note is contained in USIB/IRAC-D-8.1/1, 13 June 1974.

c. The Chairman announced that he was appointing Dr. Herbert Jenne as Chairman of the recently reconstituted Human Sources Committee. Speaking for himself and the Board Principals, Mr. Colby expressed confidence in Dr. Jenne and extended his best wishes for the success of this important committee.

d. The Chairman noted that all of the Board Members recently had concurred telephonically in [REDACTED]. He commented that this was an interesting and useful paper which highlighted a number of future problems in the area which would be of concern to the U.S.

Appointment of Chairman
